Re: *United States v. Santos Colon*, Criminal No. 17-119 (NLH)

Dear Judge Hillman:

Please accept this letter in lieu of a more formal response to the Defendant's Motion to Amend the Conditions of Release, Docket # 32, filed by the Defendant's Counsel, Richard Coughlin, Esquire, on February 26, 2019.

The government has no objection to the terms of the proposed release order (Docket # 32-1), but would ask that the defendant remain on a GPS monitoring bracelet during the new placement, until further order of the Court. This will allow the Pre-Trial Services Officers to know where the defendant is at all times when he is away from the residence. The government believes that this and the other conditions of release set forth in the proposed order will address the security concerns and provide protection to the public while still allowing Mr. Colon to make progress with his education and rehabilitation.

Respectfully submitted,

CRAIG CARPENITO
United States Attorney
